Deposit

- A \$150 spay/neuter deposit is required at adoption. The deposit will be refunded within 30 days after proof of sterilization is received. Proof must include a sterilization certificate from a licensed veterinarian.

Spay/Neuter Deadline

- The animal must be spayed or neutered by 6 months of age. Any delay beyond 6 months requires prior written approval from the Biggie Paws Rescue Board of Directors. Surgeries completed after 7 months of age (without prior approval) will result in forfeiture of the deposit.

Submission Requirements

- A copy of the sterilization certificate must be submitted within 14 days of surgery. Refunds will be processed within 30 days of receipt of the certificate.

Non-Compliance

- Failure to provide proof of spay/neuter by 7 months of age (without an approved extension) will result in forfeiture of the \$150 deposit and may lead to further action under the adoption contract.

Additional Terms

- Biggie Paws Rescue is not responsible for veterinary costs associated with sterilization. This agreement ensures responsible ownership and supports our mission to reduce pet overpopulation.
